HALLE GRACE
STONE

TAHOKA, TX

PRESENTED BY

AMANDA GORMAN

"For there is always light, if only we're brave enough to see it. If only we're brave enough to be it."

HALLE STONE

My name is Halle Stone, and I'm a senior at Tahoka High School in Tahoka, Texas. I am the daughter of Davy and Kassidi Stone. I like to say I was born in a barn, and quite frankly, it's not completely false. My family operates a commercial cattle company, and my dad is a 4th generation cotton farmer in Lynn County so agriculture practically runs through my blood. I am the oldest of three children. I have a little sister, Marlee, and a little brother, Remington. I am lucky that I am closely surrounded by my grandparents, aunts, uncles and cousins. I am so blessed to call Lynn County my home. I have been involved in Lynn County 4-H for 6 years and Tahoka FFA for 7 years. Throughout high school, I have held multiple officer positions. Currently I am the President of the Tahoka FFA Chapter, Vice President of the Tahoka National Honor Society, and President of the South Lynn County 4-H Club. I also serve as a Lynn County Livestock Ambassador. I have been on the state qualifying livestock judging teams for both Tahoka FFA and Lynn County 4-H, and I have been a state qualifier in public speaking contests. In addition, I am a class officer, the 2023 Harvest Festival Queen, and a proud THS varsity cheerleader.

My love for the stock showing started at a very young age. I began showing in kindergarten and throughout my stock show career I have exhibited goats, cattle, and swine. In third grade when I began my journey in the pig barn, it quickly became an obsession. The best decision my family ever made was to attend the Knight Show Camp. The Knight family helped me develop showmanship skills that have allowed me to be successful in the ring. I am especially thankful for Cameron who consistently places good pigs in our barn. He constantly supports and pushes me to be better just like a "big brother" should. I am sure glad to be on Team Knight!

After graduating high school, I plan to attend Texas Tech University and major in Agricultural Communications so that I can continue my love and passion for agriculture. Agriculture has given me great opportunities and is something I am truly passionate about. I want to help educate others and show them our way of life. I can't wait to add to the number of women working in this industry!

WHAT IS THE MOST REWARDING THING FROM SHOWING LIVESTOCK?

The most rewarding parts of showing livestock are the people you meet, the experiences you have, and the life long memories you make. I've learned more in the pig barn than I have in any classroom, and it has made me a better person because of it. I will forever use this knowledge and experience to encourage others to be a part of this amazing industry.

WHAT IS THE MOST CHALLENGING THING ABOUT SHOWING LIVESTOCK?

The most challenging thing about showing livestock is time management. In my house we have a rule called "animals eat first". No matter what we have going on, the animals are fed and taken care of before us. Balancing stock shows, school work, as well as extracurriculars can get very frustrating and sometimes nearly impossible. I have learned to adjust my schedule and prioritize so I can keep up with everything going on in my life while keeping my animals' needs met.

IF YOU COULD TELL ONE NEW SHOWMAN SOME WORDS OF ENCOURAGEMENT WHAT WOULD YOU SAY?

As one of the older members in my FFA program, I have helped lots of the younger kids with showmanship and animal care. New showmen are always nervous when the gate opens for the first time. I always tell them it's okay to be scared, but the more scared you are, the more your animal can feel it. A calm mind means a calm animal.

WHAT VALUES ARE MOST IMPORTANT TO YOU?

Hard work and honesty are definitely the most important values to me. If you don't work for something, are you really earning anything?

HGS HGS HGS

GIVE US YOUR MOST IMPORTANT SHOWMANSHIP TIP.

You have to put in the work to get the results you want. Even if you do not have the best pig in the ring, you can have the best skin and hair and the one that drives well. The work begins early in the season with washing, brushing, walking and has to continue daily until the last walk around the ring.

WHEN YOU GRADUATE WHAT DO YOU WANT TO BE REMEMBERED FOR IN THE STOCK SHOW WORLD?

When I graduate, I want my hard work to be remembered. I want to be remembered as the girl in blue that was a hammer on the stick because I put in the time and effort, and that my accomplishments were due to me tending to my projects.

SUPPOSE YOU COULD TAKE ANY CELEBRITY TO LUNCH AND TALK TO THEM ABOUT FFA/4-H; WHO WOULD YOU TAKE, AND WHAT WOULD YOU TELL THEM?

I would take Taylor Swift to lunch and introduce her to the different experiences and opportunities agriculture has to offer. I would tell her how agriculture has impacted my life for the better and how important it is for all of us. Taylor Swift is one of the most influential people on earth and she could be a great advocate for our livelihood.

IF YOUR FRIENDS COULD DESCRIBE YOU, HOW WOULD THEY?

My friends would describe me as kind, hardworking, giving, caring and truthful.

HGS

WHERE DO YOU SEE YOURSELF IN THE NEXT 5 YEARS?

In five years, I see myself as a graduate from Texas Tech University. I will have my real estate license and my own ranch and farmland real estate company based in West Texas.

WHO IS YOUR ROLE MODEL?

My role model is my mom. She's always pushed me to be my best. She has positively influenced my life in so many ways. She's smart, wise, ambitious, patient, hard working, and she loves BIG. There are no words that can describe my gratitude towards her and her ability to make things happen.

WHAT MOTIVATES YOU TO BE A GOOD LEADER, AND TO PUT FORTH YOUR BEST EFFORT?

Having little girls in my small West Texas town look up to me motivates me to be a good leader. As a varsity cheerleader, homecoming court nominee, harvest festival queen, and showman, I have little eyes on me at all times. I don't want to let them down and give them reason to doubt me or my character. I will always try my best to do what is right so that both God and those little girls will be proud.

HOW DO YOU GO ABOUT SETTING GOALS IN ORDER TO BECOME MORE SUCCESSFUL?

I set goals for myself at the beginning of every year and this helps to keep me motivated, excited, and driven. I make sure that my goals are attainable but still push my limits. I decide what I want to achieve and develop a plan to get me there.

MEANS TO YOU.

Success is something that you define for yourself based on your values, passions, and goals. Setting certain goals for yourself, working hard to achieve them, and keeping true to your values are ways you can truly feel successful.

LAWSEN LANE
TAYLOR

ADKINS, TX

PRESENTED BY

"TIME IS WORTH MORE THAN MONEY SO SPEND YOUR TIME WISELY" - JOSH ELKINS

I've heard a lot of grand-drive speeches in my life, but there is one that I say just about every chance I can. When I'm driving in the truck and practicing my own grand drive speech, I always include this one specifically.

LAWSEN TAYLOR

My name is Lawsen Taylor, born and raised in Adkins, TX. I am a homeschooled senior with an intense growing passion for the livestock industry. Growing up the youngest of two older brothers, who themselves were heavily involved in showing livestock it's all I have ever known. Almost the entirety of my life we have ran a small sow operation ranging from ten-twenty sows, after I graduate, I plan on growing and expanding the operation. I will be attending Texas Tech University to earn an Ag degree to eventually pursue a career in Animal Nutrition. While attending Tech I will continue to raise and sell livestock while working towards my lifelong goal of raising competitive livestock at the national level. Nevertheless, helping like minded kids who are not only chasing the same thing I was but are determined to be the best they can.

To my family, Dad, thank you for always being there even at the times you couldn't, your efforts to provide us with a crazy dream fulfilling life will never go unnoticed. Mom, thanks for being my best friend no matter the circumstances for listening to all my outlandish ideas and letting me call some shots but most importantly putting me in my place because we all know I need that from time to time. Logan, thanks for always being a phone call away to hear me overly excited leaving a barn after looking at pigs. Always keeping it real with me and forcing me to keep a level head no matter the cards I am dealt. Landen, thank you for being there even when our goals and interests don't align it never goes unnoticed you always make time to come support me in my crazy dreams no matter what they are. To the people at purple circle, thank you for allowing young people like myself to share their dreams and aspirations with the rest of the industry.

WHAT IS THE MOST REWARDING THING FROM SHOWING LIVESTOCK?

Winning, the countless hours, late nights, early mornings, and dedication it takes to get your animal to show day is next to none. Nobody does things continuously to be average, so to end it by being on top is the best reward you could ask for. I have also gained some of my closest friends and mentors all while making amazing memories with my family.

WHAT IS THE MOST CHALLENGING THING ABOUT SHOWING LIVESTOCK?

Consistency is essential in an industry that is mentally draining and constantly changing. When the animal goes through a growth spurt or an off time, it can be highly discouraging. It's easy to feel like it was pointless to begin in the first place. You just must stay nose down and keep pushing onward.

IF YOU COULD TELL ONE NEW SHOWMAN SOME WORDS OF ENCOURAGEMENT WHAT WOULD YOU SAY?

I always say, "If you don't believe in yourself, why should anyone else?". There is a difference between being confident and being cocky.

WHAT VALUES ARE MOST IMPORTANT TO YOU?

To me, the most important value is loyalty. Being able to have a group of people in your corner who would ride or die for you no matter the circumstances is the assurance everyone needs.

LLT
LLT

GIVE US YOUR MOST IMPORTANT SHOWMANSHIP TIP.

Learn the ring, watch people who are more experienced than you. Sometimes the best view isn't always being seen.

WHEN YOU GRADUATE WHAT DO YOU WANT TO BE REMEMBERED FOR IN THE STOCK SHOW WORLD?

I want to be remembered as the person who knew how to win and, more importantly, knew how to lose. I want to be remembered as someone who took the losses as a learning opportunity and grew from them. I do not want to be just an average individual; I aim to excel in the stock show world.

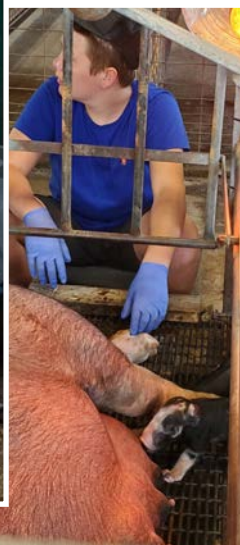

SUPPOSE YOU COULD TAKE ANY CELEBRITY TO LUNCH AND TALK TO THEM ABOUT FFA/4-H; WHO WOULD YOU TAKE, AND WHAT WOULD YOU TELL THEM?

JB Mauney, someone who is never satisfied with being average and whatever it is he did it the best. To talk to someone that's in the industry just on the other side would be a neat deal to me, I would definitely converse about the kid part of his industry. Like Willie K said he's not in the pig industry he is in the kid industry that is something that I would for-sure focus on. There is no better place to grow up in than the livestock industry.

IF YOUR FRIENDS COULD DESCRIBE YOU, HOW WOULD THEY?

This is a chance to make myself sound really good but my friends would probably describe me as honest, maybe a little funny (I like to think extremely funny, but that's just me), someone who knows the values of friendship, and an extremely determined person no matter what he is doing.

WHERE DO YOU SEE YOURSELF IN THE NEXT 5 YEARS?

In the next five years, I am hopeful to be done with school! After graduation, I plan on working/owning a pig farm. I intend to sell, raise, and fit pigs at a national level.

WHO IS YOUR ROLE MODEL?

My grandpa, through every struggle he always put family first. Sadly, he was taken out of my life way too soon. If I can someday provide half the things, he did for me in the five years I had with him, I'd be a satisfied guy.

WHAT MOTIVATES YOU TO BE A GOOD LEADER, AND TO PUT FORTH YOUR BEST EFFORT?

My younger peers. To have someone look up to you opens your eyes to a slew of things, but most importantly, to be the best person you can be. To make sure whatever goals you have set to achieve them, be a dreamer but, more importantly, be a go-getter.

HOW DO YOU GO ABOUT SETTING GOALS IN ORDER TO BECOME MORE SUCCESSFUL?

I find people who do what I dream of doing. I like to use other people's success as a vision toward my dream, hoping to be just as successful or even more.

MEANS TO YOU.

TELL US WHAT
SUCCESS

To me, success is being the best at whatever I do. I've always said, "If you ain't first, you're last". While that is only sometimes true, knowing you won't be satisfied with anything other than the best is something you should strive to feel.

HENSLIE

HOHER Z

EARLY, TX

NEVER HOPE FOR MORE
THAN YOU WORK FOR!

HENSLIE HOHERTZ

I would like to take a moment and introduce myself. My name is Henslie Ross Hohertz, and I am from Early, TX. I am the daughter of Harlan and Lori Hohertz. I have always known that hard work, dedication, and strong character are the pathways to success. A well-rounded individual is one who has been exposed to hard work and refinement, dirty hands and dignity, quiet stalls and social settings. From the time I could walk, I had an animal in my hand. I am the oldest of four children; my sisters are Hutsyn and Haskyl and my little brother is Hayzen. I have always been labeled the responsible dreamer. If I can dream it, I can achieve it. My family raises Dorper and White Dorper sheep; I wanted to expand our family's sheep showing tradition and grow into a pig showman as well!

Showing livestock for so long, I have met numerous new faces and gotten to meet countless people across the country. Being the oldest of four affords me daily opportunities to mentor and guide my siblings in and out of the barn. I believe this naturally places me in a leadership position in the show barn as well. As an older showman, who little kiddos look up to, I'm always willing to assist other juniors. Not only do I focus on my own animals and helping the association out where it is needed, but I also help around the ring. I am always willing to volunteer to work in the ring, set legs, teach whip mechanics, and substitute when showmen have multiple entries in a class. Because of my dedication to showmanship, I have gained the opportunity to represent the National Dorper Association as an Ambassador. I am also very active in my 4-H and FFA clubs. I currently hold the title of Vice President of the Early FFA Chapter.

I will begin my freshman year at Texas Tech University this fall, majoring in Ag Communications with an emphasis on marketing and photography. I am the proud owner and operator of my own MagnaWave and laser therapy business called Surge by Henslie. I am an extremely passionate young lady. My biggest goal, and perhaps my greatest accomplishment is keeping my academics balanced with my extracurricular activities, my livestock responsibilities, and a part time job over my high school journey. I strive to be the kindest, most hardworking, dedicated, and dignified young woman possible while maintaining success and a grateful heart.

WHAT IS THE MOST REWARDING THING FROM SHOWING LIVESTOCK?

The most rewarding thing from showing livestock is most definitely the relationships I've gained, people I've met and the responsibilities I've learned.

WHAT IS THE MOST CHALLENGING THING ABOUT SHOWING LIVESTOCK?

Showing livestock is far from easy; no matter what, you have to keep your head straight, have a positive attitude, and never give up!

IF YOU COULD TELL ONE NEW SHOWMAN SOME WORDS OF ENCOURAGEMENT WHAT WOULD YOU SAY?

I would personally tell them to not be intimidated, to never give up when times get hard, and even when it's hard to keep a positive attitude.

WHAT VALUES ARE MOST IMPORTANT TO YOU?

My most important values are positivity, grit and determination, keeping a good attitude, and being true to everyone including myself!

HRH
HRH

GIVE US YOUR MOST IMPORTANT SHOWMANSHIP TIP.

The most important showmanship tip I would give would be to always have good sportsmanship. Sportsmanship is incredibly important and goes way further than anyone can imagine.

WHEN YOU GRADUATE WHAT DO YOU WANT TO BE REMEMBERED FOR IN THE STOCK SHOW WORLD?

I want to be remembered for the effort I put forward and how hard I worked; as well as being a mentor and teaching younger kids my skills.

SUPPOSE YOU COULD TAKE ANY CELEBRITY TO LUNCH AND TALK TO THEM ABOUT FFA/4-H; WHO WOULD YOU TAKE, AND WHAT WOULD YOU TELL THEM?

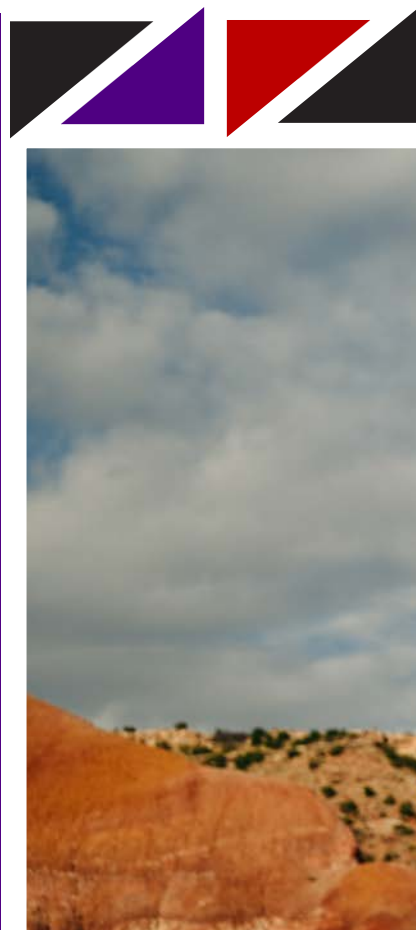

I would for sure take Taylor Swift! I'm a huge Swiftie fan and I would tell her about all the benefits and life lessons I'll use for a lifetime that I learned through my time in FFA and 4-H.

IF YOUR FRIENDS COULD DESCRIBE YOU, HOW WOULD THEY?

My friends would describe me as hard working, very determined and very encouraging.

HRH

WHERE DO YOU SEE YOURSELF IN THE NEXT 5 YEARS?

I see myself in 5 years being graduated from Texas Tech University and starting my marketing journey. I hope to be successfully traveling around to breeders across the country, and taking pictures at shows. I also hope to be married and raising pigs with my family.

WHO IS YOUR ROLE MODEL?

My role model is Alicia Castaneda; she's a very successful lady that raises show pigs, and has one of the best marketing and photography businesses in the country. If I was to pick another one, it would be Savannah Johnston, she's one of my close friends and I admire her drive and determination.

WHAT MOTIVATES YOU TO BE A GOOD LEADER, AND TO PUT FORTH YOUR BEST EFFORT?

Seeing others step up really motivates me to step up as well and be a leader.

HOW DO YOU GO ABOUT
SETTING GOALS IN ORDER TO
BECOME MORE SUCCESSFUL?

I really just go about
setting goals by what I
want to achieve
and accomplish.

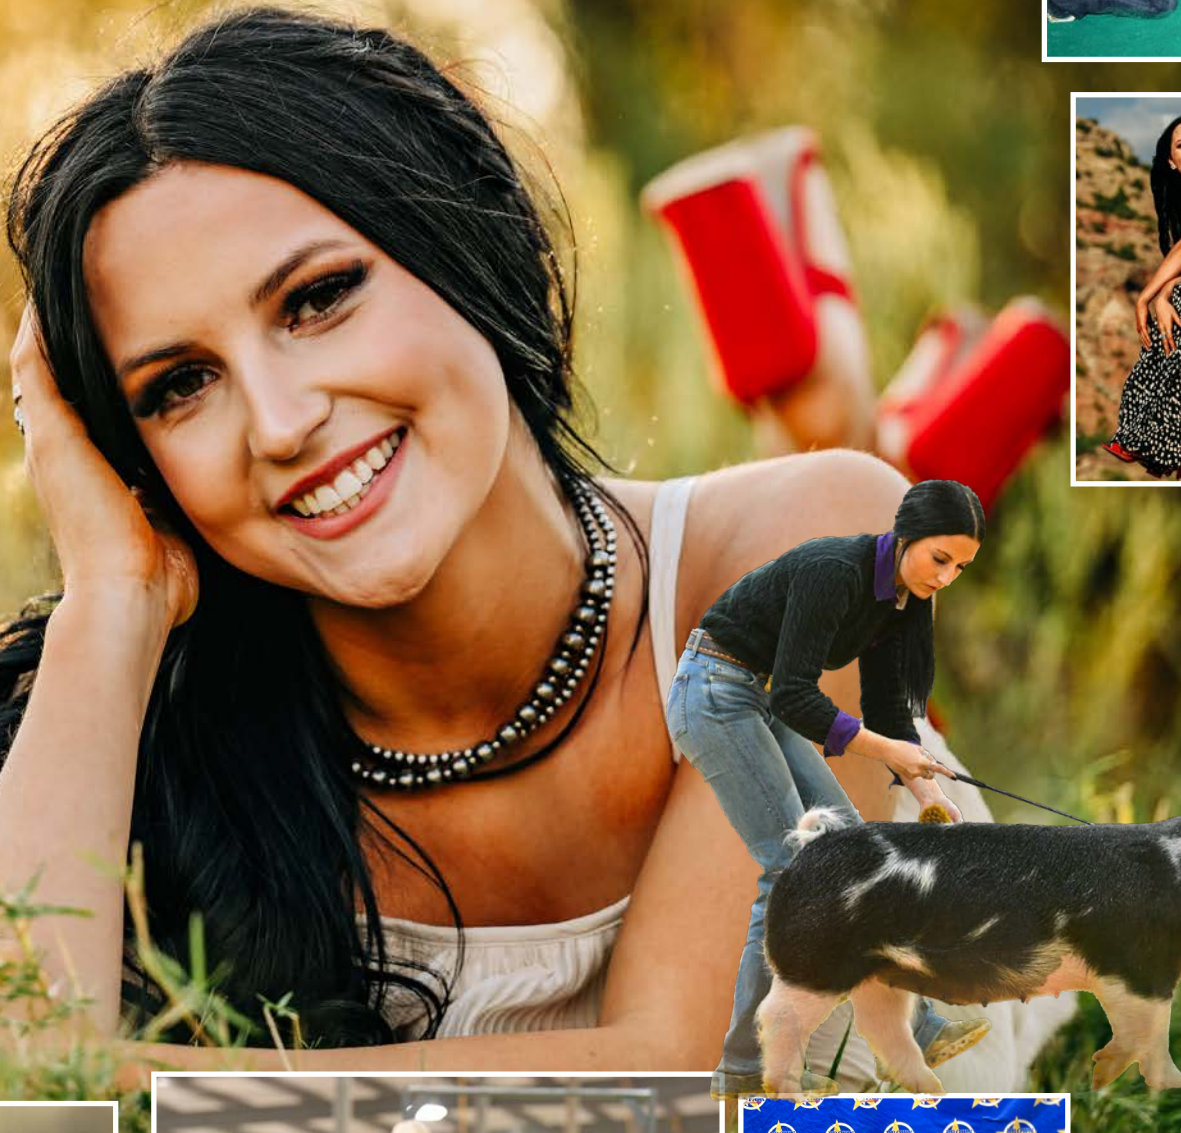

MEANS TO YOU.

Success means a lot to me
and is one of my biggest
motivations. I feel when
I try my hardest and give
everything I've got, that's
what success is.

Pavlova Cupcakes With Raspberry Sauce

Pavlova

- 9 large egg whites
- 1/4 tsp. kosher salt
- 2 c. (400 g.) granulated sugar
- 1 tbsp. potato starch or cornstarch
- 1 tbsp. white distilled vinegar
- 1 tsp. pure vanilla extract

Topping

- 12 oz. fresh or frozen raspberries
- 1/4 c. (50 g.) granulated sugar
- 1 tbsp. potato starch or cornstarch
- Juice of 1/2 lemon
- Whipped cream, for serving

Directions

1. Preheat oven to 300° and line 2 standard 12-cup muffin tins with liners.
2. In the large bowl of a stand mixer fitted with the whisk attachment, beat egg whites and salt on medium speed until frothy. With the mixer running, very slowly add granulated sugar and continue to beat until egg whites are thick, glossy, and hold a stiff peak, 5 to 7 minutes.
3. Add potato starch, vinegar, and vanilla and continue to beat until just combined. Transfer to a piping bag fitted with a large star tip. Pipe meringue into liners, filling to the top of cups.
4. Place muffin tins in oven and reduce oven temperature to 250°. Bake pavlova until risen and set, 30 minutes. Turn off oven and let cool in oven 1 hour. Try not to open oven door during baking or cooling.
5. Meanwhile, in a medium pot over medium heat, combine raspberries, granulated sugar, potato starch, and lemon juice. Bring to a boil, stirring often, and cook until raspberries are completely broken down, 6 to 8 minutes.
6. Strain sauce through a fine-mesh strainer into a medium bowl; discard solids. Let cool completely.
7. Top pavlovas with a dollop of whipped cream. Spoon raspberry sauce over.

BARN CHORES MATTER.

With Texas major season and OYE quickly approaching, it is time to start fine tuning your goats and getting them dialed in for show season. If you are serious about competing and want to be successful you must be putting in the hours each day at home. Everyone has their own regimens and checklists, take some time to evaluate your own plan and see where you can edit and improve. Daily care and being consistent with your schedule and chores will catapult you into success.

One of the most important daily chores that is often overlooked is hide health. Hide and hair is vital when showing on a big stage or any level for that matter. It separates those that spend the time preparing at home and those that do not. Whether you are showing does or wethers you must dedicate ample time to working hair and hydrating their hide. Find a conditioner that works for you and is safe to use daily. Spend lots of time brushing and working the body hair and leg hair in the way you want it to stand on show day. When you are rinsing and conditioning, always make sure you completely blow dry the entire body. Damp hair can harbor bacteria and lead to problems with fungal and bacterial infections. A tip to also help prevent fungus or other skin irritants, would be to simply wash your goats minimally. Over washing your goats can remove the natural oils from their hair that they need to protect their hides. Presentation and eye appeal is key, make sure you leave no room for error with your goats skin and hair when you step into the ring.

Exercise should also be implemented in your chores. Exercise can be subjective but I have a few do's and don'ts. Treadmills and tracks are the best ways to keep your goats exercised and build muscle. Treadmills can

be utilized forward and backwards in order to accomplish different goals. Tracks with a track dog are also another good option to build muscle or burn fat. Short quick bursts of adrenaline on the track are a good way to ensure you have the right amount of cover and handling quality when you step in the ring. Do not trust social media groups and the advice you find there, especially when it comes to exercise. When preparing an exercise program seek advice from the breeder or a mentor first. Use methods that are proven to get the best results without sacrificing soundness.

My final tip is practice often. I always reflect back to the Michael Jordan quote, "Practice like you've never won, Play like you've never lost." No matter how comfortable you are in your showmanship abilities you must always work to perfect your craft. Elon Musk said, "No matter how hard you work, someone else is working harder." Each day that you are not putting in the effort someone else is getting ahead of you. It sounds cliché, however to be competitive you should be spending time with your project every day practicing and preparing.

It's difficult to lay out an exact road map to the backdrop. Each breeder, feeder and jock has a different protocol as well as each goat has different needs. Attention to detail is something that every successful person does. Make sure that you are attentive day in and day out at the barn ensuring your stock is always properly cared for and healthy. It's evident that you must spend countless hours in the barn if you want to find success at any level. Remember this shouldn't be a job, when you have a passion for showing you want to spend time in the barn. Work closely with someone to help you develop a daily plan and chore list to maximize the potential of your goat.
